Data Analysis Project

## WORK EXPERIENCE

---

### Gündoğdu Gıda (Top 100 Fastest Growing Company in Turkey)

**Istanbul, Turkey**

*Data Analyst (E-commerce)*

Jan, 2021 – May, 2022

- Increased monthly e-commerce revenue from 20K to 6M TRY in 17 months by managing and consulting e-commerce goals, products, go-to-market strategies, and key performance indicators (KPIs)
- Improved e-commerce website traffic by 20% in nearly 2 years by managing SEO, SEM, email marketing, social media marketing, and display advertising campaigns
- Achieved 60% increase in our membership of ecommerce website and 50% increase in our daily ecommerce sales
- Applied market price analysis and developed a multi-variable Excel formula to efficiently determine the optimal price of the products
- Proposed and outlined a new improved website functionality and user experience through redesigned website and addition of a new payment option for streamlined checkout process
- Designed specialized campaigns and launched new products to build the best experience for consumers by understanding the market, competition, and consumer requirements
- Worked collaboratively with agencies, patent firms, shipping firms, payment system firms, media, marketing firms, and software teams to improve customer experience
- Secured a 500K TRY budget for our e-commerce department by delivering a compelling presentation to the company owner, CEO, and other executive members of the company

## RELEVANT EXTRACURRICULAR EXPERIENCE

---

### Social Services Club – Bogazici University

**Istanbul, Turkey**

*Project Manager*

Oct, 2017 – Aug, 2019

- Managed the Smiley Eyes social support project for middle school children from orphanages
- Planned curriculum activities and materials for 25 traumatized children and 25 volunteers
- Gained a full budget for transportation with a presentation to the rector of the university

## EDUCATION

---
